INVITATION

Respected Sir/ Madam,

We have the high pleasure of inviting you to participate to THE 34th NATIONAL CONFERENCE OF THE ROMANIAN LIBRARY ASSOCIATION, with the title ***“LIBRARY – FROM TRADITIONAL TO ARTIFICIAL INTELLIGENCE”***. The Conference will take place between 3rd – 6th, of September 2024 in Sibiu, Romania. The *Official Opening* will be held on September 4th, 2024 in the Assembly Hall of The “Lucian Blaga” University Library, preceded by *a satellite event organized by the main sponsor Softlink*, on September 3, when they will be presented technical solutions of last generation within an informal setting. This event is intended to become a tradition within the Conference.

This scientific event aims to offer the participants a framework for meeting theorists and practitioners in the field of the library science and other related fields, both from the country and abroad, to discuss common problems and identify solutions, highlighting, equally, the achievements of the profession and the good practices. We are convinced that your presence at the opening ceremony and proceedings of the Conference will offer added value to the event, as well as a development of inter-institutional relations and long-term partnerships.

The Conference will take place in a *hybrid format* and will benefit from a registration platform, containing all the necessary information. For additional information, kindly access the email address infoabr@gmail.com or the mobile number 40 765 515 033.

Looking forward to hearing from you, we assure you of our high consideration.
